WARFIELD PARK & ARROWHEAD HORSE TRIALS

ESTD  2001

Arrowhead Horse Trials is an equestrian event that includes three phases. Dressage, Cross Country, and Show Jumping. The event will attract 100+ horses and over 250 spectators and volunteers. 2024 will be our 23rd year of hosting this event at Warfield Park!

Warfield Park is an equestrian facility located in Billings, MT. We are designed to meet the needs of the local horse community. With a cross country course, permanent stalls, acres to trail ride, arenas stocked with jumps, and a working equitation course, the park is open to riders of all disciplines. The Arrowhead Horse Trials is a great opportunity to show community support and get your business or product in front of an enthusiastic crowd of people! With five different packages, there are several ways to get involved. Please see our website for full sponsor information packet.
